On January 1, 2023-H&H Builders, LLC of Thornton, CO received a 2023 Guildmaster with Highest Distinction Award from GuildQuality for demonstrating exceptional customer service within the residential construction industry.

Since 2005, GuildQuality, an Atlanta-based third-party customer satisfaction surveying company, has powered the Guildmaster Award to recognize and celebrate home building, remodeling, and contracting professionals demonstrating the highest level of customer service within the U.S. and Canada.

Out of nearly 2,000 eligible applicants, H&H Builders, LLC is one of 400+ businesses within the residential construction industry recognized by GuildQuality for consistently delivering superior customer care.

In determining which businesses received the 2023 Guildmaster Award, GuildQuality reviewed thousands of survey responses submitted by customers of Guildmaster candidates and considered two primary metrics for each candidate: the percentage of customers stating they would recommend the business to a friend and the percentage of customers who responded.

H&H Builders, LLC achieved a recommendation rate of 90% or above from their customers surveyed by GuildQuality.

"We are honored to receive such an award. The mission of H&H Builders is to improve the lives of those we work with by remodeling homes and exceeding expectations. This award demonstrates we are doing that on a consistent basis."
